Tournament Information

The 22nd Annual Baton Rouge Area Credit Union Charity Golf Tournament is quickly approaching! In the last 20 years, we have raised over \$450,000 for local charities in Baton Rouge, and now we are preparing for another successful tournament.

We are asking for your support and consideration of sponsoring the 2026 tournament, scheduled for Monday, November 9, at Santa Maria Golf Course in Baton Rouge, Louisiana. This tournament is an excellent opportunity to connect with credit union peers, vendors and affiliates. You can support Redstick C.A.R.E.S. while marketing your services and enjoying a great day of golf at one of Louisiana's premier golf courses!

Participants of this first-class tournament will enjoy a hot breakfast, golf cart, a round of golf, gift bags, games, prizes, and an awards reception. Several sponsorship and team opportunities are available and listed within this booklet, for your review.

If you have any questions, please feel free to contact any of the committee chairs listed to the right. Thank you for your time and consideration!

REDSTICK C.A.R.E.S.

www.redstickcares.org

**Counseling || Advocacy || Resources
Education || Support Services**

Redstick C.A.R.E.S. was founded in 2022 by special education advocate Tara Dixon and mental health counselor Jannean Dixon – sisters-in-law with 38 years of combined experience – to strengthen community resilience through behavioral, mental, and social health support.

They created Redstick C.A.R.E.S. to close the gaps in access they witnessed firsthand in their fields. Their mission: to build the kind of kind community we all deserve by taking action and believing in change.

The organization runs about 50 programs tailored to meet community needs. It hosts a weekly free food pantry – distributing over \$300,000 in groceries via Trader Joe’s – and has sponsored 140 Christmas Angels: children with incarcerated parents. Volunteers have donated over 7,800 service hours, and the organization serves as an intern site for 12 colleges. Ongoing programs include a free weekly grief support group and the upcoming “It’s a Movement: Women Supporting Women” in August 2025.

RedstickU is their flagship program, serving young adults with special needs who have finished school but need more preparation for independence. These students attend Monday through Friday to build skills in home safety, cooking, relationships, planning, recreation, and more – all in a supportive, empowering environment.
