About "The Vagina Monologues"

"Published in over 48 languages, performed in over 140 countries and recently heralded by *The New York Times* as **one of the most important plays of the past 25 years**: Ensler's hilarious, eye-opening tour into the last frontier, the forbidden zone at the heart of every woman. A show that's rocked audiences around the world, this groundbreaking piece gives voice to a chorus of lusty, outrageous, poignant, and thoroughly human stories, transforming the question mark hovering over the anatomy into a permanent victory sign. With laughter and compassion, Ensler transports her audiences to a world we've never dared to know, guaranteeing that no one who reads *The Vagina Monologues* will ever look at a woman's body the same way again." - EveEnsler.org
