SPRING 2026 TUITION SCHEDULE

Payment for the Spring 2026 Redstick U semester tuition will begin December 18 and end January 9 for students who are already registered. On January 10, the classes will **open to the public**. At that time, new Community Members can register for classes and no holds will be placed to keep classes exclusively for Redstick U students. If the fees are not paid by January 9, there is no guarantee what classes your student will be able to choose.

Tuition for the Spring 2026 semester is \$2,220 for part-time students (1, 2, or 3 days per week of programming) and \$3,700 for full-time students (4 or 5 days per week of programming).

There are three ways to pay for the Spring semester:

- Check provided to Redstick CARES by January 9, 2026
- On the website at redstickcares.org/redsticku
- Monthly payments via ACH form. ACH payment amounts are as follows:
 - \$740 full-time students (4 or 5 days per week of programming)
 - \$444 part-time students (1, 2, or 3 days per week of programming)To be drawn on: January 15, February 15, March 15, April 15, and May 15.

A “day” of programming is one calendar day Monday through Friday.
Partial mix and match days are not available.

Schedule Changes. Students who wish to make a change in their schedule may request the change with their advisor. Changes will be made based on availability, appropriateness of the class, and if the student has the prerequisite skills needed to be successful in the class.
